WEEKLY THOUGHTS ON GIVING...

"There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone." - 1 Corinthians 12:4-6

By giving each of us different gifts, God made sure that the Church would have the combination of talent and treasure that was needed to do God's work. However, what happens if one of us does not bring our contribution to God's altar? God's plan is not fulfilled. Some important work is left undone.

Cathedral parish welcomes **Msgr. Mark Ullrich, MSW**, to the pastoral staff. Monsignor Ullrich is the President of Catholic Charities of the Archdiocese of Saint Louis with offices on Lindell Blvd. He was ordained in 1978 and has been for the last eleven years the pastor of Our Lady at the Holy Cross Parish in north St. Louis, the Baden area. A THOUGHT ON THE SANCTITY OF LIFE...

“[The new Washington State law legalizing assisted suicide] represents a dangerous new assault on the culture of life. Of special concern is the threat that legalizing assisted suicide poses for vulnerable persons, who are already at risk of marginalization by an individualistic and utilitarian perspective of life. Those most at risk from this dangerous change in public policy are elderly persons, those without adequate health care, people with disabilities and those with no family support system.”
